COMPOSITE DOORS

Elite Series

SECOND EDITION 2023

# YOUR DOOR YOUR WAY

---

Introducing the **Thistle Elite Series** and **Elite Series Plus Composite Door Collection**.

At Thistle, we believe our customers deserve the best which is why we have selected the highest-quality doors for this collection.

As well as being extremely secure, well-insulated and weatherproof, our Elite Series Composite Door Collection offers you the choice of 42 stunning designs in a wide range of fabulous colours to compliment your home.

Add that perfect finishing touch with a selection of high-quality handles, letterplates and door knockers. Make your home's entrance even more of a statement by adding Sidescreens and a Top Light to match your stunning new door.

From the door, frame, glass, handles, hardware and mechanism to the actual installation itself – every Elite Series Composite Door is covered by a comprehensive 10-Year Thistle Guarantee.

**With Thistle you get quality, guaranteed.**

# WHY CHOOSE A THISTLE ELITE SERIES COMPOSITE DOOR?

## **DOUBLE REBATED**

Our Elite Series Composite Doors feature a double seal for exceptional weather & draft proofing when compared to a standard 44mm single rebate door.

## **HIGH-QUALITY FOIL FINISH**

All Elite Series Composite Doors are Renolit foil finished (not painted) matching the outer frame perfectly.

## **ENERGY-EFFICIENT GLAZING**

All Elite Series Composite Doors feature Triple Glazed units as standard with Double & Triple Glazed options available for Sidescreens and Top Lights.

## **HIGH-STRENGTH CONSTRUCTION**

The Elite Series features a unique Fibreglass Monocoque Structure while the Elite Series Plus features an ultra-strong Durohalts composite structure with a high-density PU core. Both options provide exceptional strength and security when compared to standard foam-filled doors.

## **UNIQUE DOOR DESIGNS**

We have a wide range of modern and classic styles to choose from with accessories and hardware in a range of stylish finishes, making your door totally bespoke.

## **HIGH-SECURITY LOCKING SYSTEMS**

The Thistle Elite Series is top of the range for composite door security, featuring either a 10-point multi-lock or a 5-point automatic slam lock.

## **NO DELAMINATION**

The unique construction of our composite doors means they will not warp, twist or delaminate - the Thistle Elite Series is built to last.

## **LOW THRESHOLDS AVAILABLE**

Our Elite Series Composite Doors can be configured with low thresholds for ease of access - ask our team for further information and availability.
