We provide beautiful, practical decking for your garden and outdoor space

Our stylish decking is designed to increase the usable area, meaning you can fully enjoy the outdoors and still feel safe, clean, and in control of your own space.

Our durable, low-maintenance products aim to provide you with a practical, modern appearance allowing you to relax and entertain friends and family in style.

Designed with you in mind:

Versatile with a choice of 2 board widths - 145mm or 195mm

Easy to clean

Does not promote mold growth like timber

Does not require treating, varnishing or painting

Slip resistant surface

Will not crack or splinter

Will carry high loads

No sharp edges or splinters

Strong construction

Wear and impact resistant

Will not warp like timber

Very low sound levels

Stylish and modern

Allows you to customise to suit your needs and taste

Slightly domed surface to aid water run off

Fire rating: Class Bfl-s1

Wide choice of deck colours

A variety of plain or foiled balustrade finishes

Why uPVC decking is the right choice

It is increasingly desirable to maximise outdoor living space by adding a sun deck, allowing you to fully enjoy the benefits of this extra space.

Our decking and balustrade system is made from durable uPVC that won't degrade like timber will, keeping its appearance and enhancing garden without the need for constant maintenance.

The woodgrain effect on our board is slightly textured to provide good grip at all times and gently domed to aid water run off, so your deck will always be a safe place to stand or walk.

Our uPVC won't twist or deform, it will be quiet to walk on and best of all, it will last for years and years and you won't have to paint it once.

Product Features & Benefits:

Low Maintenance

Slip Resistant

Robust

100% Recyclable

Long Life

Product Testing

Installation Guarantee

10 YEAR

At Thistle our commitment doesn't end when we complete your project

You'll benefit from Award Winning Customer Service and a comprehensive 10-year guarantee that covers all associated installation work.

What's more, should you ever need to call upon your guarantee, our dedicated Customer Service Team is standing by and ready to help.

Our uPVC decking products are covered by the manufacturer's warranty.

You'll also get peace of mind in knowing that any guarantee work will be carried out by our own directly employed tradespeople – just as your initial project has been.

Decking Board Colour Options:

We offer a great range of practical decking boards with a traditional wood grain effect pattern.

The boards satin finish is embossed for good slip resistance and for the domed surface aids water run off in addition to them being easy to clean.

Maple

Balustrade System

Our traditional balustrade system will beautifully complement your deck.

Our Balustrades can be made up in a number of ways, using traditional top and bottom rails and pickets of glass panels set in between.

The hand rail and bottom rail are reinforced with galvanised steel insert ensuring strength and rigidity. The pickets are pre-cut to height to suit the transition and may be set in a square or diamond orientation within rails.

You can also choose the modern glass option, which gives your decking system an equality stylish finish.

CUSTOMER REVIEWS

"Delighted with the product and the service. Great support from Barry throughout and excellent, timely service. First class product. Delighted with the installation team."

MRS ANDERSON

"Very Impressed by the installation carried out by Lukasz's Team. I am delighted with my new fence and gate and would have no hesitation in recommending Thistle. "

MRS BLANCHETT

"We were very satisfied with Lukasz and Ryan they were very tidy and friendly. I would be very happy to have them on any further work and recommend them to anybody."

MR & MRS DUNCAN

"Just wanted to say thank you very much. Everybody involved was so helpful and supportive. We love our new fence; you've done a great job and we really appreciate it."

MS KEMP

"Excellent service from start to finish; very well organised throughout the project and we are delighted with the result. Thanks."

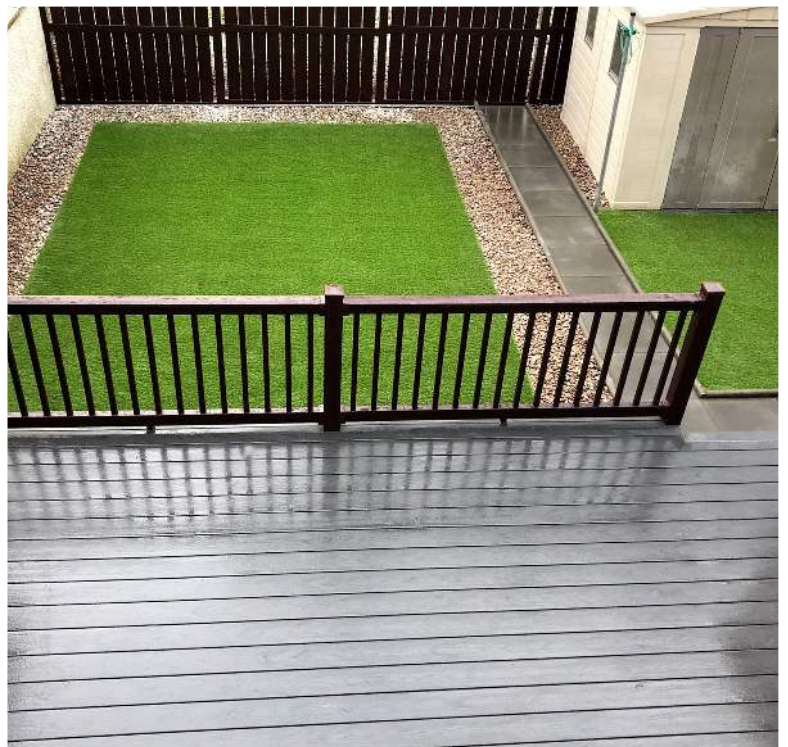

MR MCKNIGHT

"High praise for your installation team. We were most impressed by their attention to detail. A job very well done."

MRS ROBERTSON

INSTALLATION SHOWCASE

Our Decking & Fencing team has the knowledge to design any garden or outdoor space – and completely project manage the entire scope of works from start to finish!

What better way to show you what our team can do than showcase some of our recently completed projects.

PVCU & COMPOSITE DECKING - LOW-MAINTENANCE FENCING & GATES - PVCU, STEEL & GLASS BALUSTRADES

TRANSFORM YOUR GARDEN FOR MORE ENJOYMENT AND LESS HASSLE!

Featuring woodgrain surfaces that look and feel like real wood, our PVCU and Composite Decking & Fencing products are strong and durable.

They won't warp or rot like timber alternatives and can be easily cleaned - the perfect choice to create a low-maintenance garden that can be enjoyed all year round!

Our Decking & Fencing is also an eco-friendly, sustainable choice with a low carbon footprint. Our PVCU products are also 100% recyclable!

**So if you're looking to transform your garden,
